GREAT KENOSHA RAFFLE

The Great Kenosha Raffle is held annually at the Kenosha Expo, with 100% of proceeds benefiting the Kenosha Area Chamber of Commerce Foundation College Scholarship Fund. The Great Kenosha Raffle is made possible through the generous donation of goods/services from our membership. Historically, the Foundation had presented two \$2,500 scholarships annually. With the growing number of local graduates deserving of this scholarship, the objective is to increase the number of scholarship given to six. All donations will be listed on www.kenoshaexpo.com along with a link to the member website and posted at the event. Donors will also receive the name and contact information of the respective raffle winner. The Kenosha Area Chamber of Commerce Foundation thanks you in advance for your generous donation to support local education.
